Linda,

Unfortunately, everything has been a blur of activity since the Gold King release occurred and I am trying to catch up with my emails/voicemails from that time period. Attached is the R8 QAPP/SAP though events have overtaken me and I believe they are posted on the EPA website along with the R6 and 9 QAPP/SAP. I'm also attaching a recent addendum that we did to accommodate a Headquarters' mandate for collection of a sample for "additional analytes" deemed needed by La Plata county. My sincere apologies for the delay in responding to you. - lw

Subject: FYI: Southern Ute Gold King draft QAPP

Hello everyone...

Just to let you know, QA received a QAPP from Southern Ute Indian Tribe for sampling and analyses related to the Gold King Release.

It is likely that Southern Ute may be interested in comparing their data to EPA data at some point.

Laura - As previously requested, please send me a copy of the EPA approved Gold King SAP(s) and QAPP(s).

Thanks.

LindaH.

Hi EPA,

I hope all is well.

Please see the attached SAP/QAPP I prepared for the SUIT response to eh Gold King Release. I modified the QAPP I sent to EPA on July 21. I have not received comments nor approval of that document.

Pleas contact me with comments or questions on either document.

Best, Curtis
